Why Consider Travel Insurance?

Going on a mission trip with your church or youth group or just taking a family vacation?

Traveling abroad can be an exciting experience. But what would happen if you or one of your family members became ill or injured while away from home? International travel can quickly turn frightening if you're not prepared for a medical emergency.

Patriot International provides coverage for U.S. citizens traveling outside the U.S. for a minimum of 10 days up to a maximum of two years. If the plan is purchased for a minimum of three months, coverage may be renewed (without break in coverage) for a total of up to two years.
